

Central Sporthotel

Dear suests

Bring your friends at home a treat from the Cnetral Sport and Wellness hotel:

Our red and white wine

Our tasty red wine, the "Heimliche Liebe" (Secret love) Sassorosso from the Veltlin has a frisky character and tastes harmonically. Moments just like you experienced in the Central.

"Slalom" our white wine is a Ca'Brione from the Veltlin also. A voluminous white wine matured in the barrique. It's almost a pity to give such a wine away.

The **vouchers** are very appreciated treats from the Central

How about a **massage voucher** from our top masseuse Martina Schele? Everybody is pleased about a bit wellness.

Feeling well always requires a good meal. Give away a **dinner voucher** for our Restaurant Bünderstübli.

Your friends can enjoy a first-class attentive service, a flambé prepared directly at your table or a delicious seasonal dish from our à la carte menu.
